PROFESSIONAL SUMMARY

A motivated MCA graduate with hands-on experience in full stack development, real-time applications, and XML-based documentation workflows. Passionate about building efficient, user-friendly applications and contributing to real-world IT projects.

EDUCATION

Master of Computer Application (MCA)	2024 – 2026
<i>Kamaraj College (Autonomous), Thoothukudi</i>	
Bachelor of Information Technology	2021 – 2024
<i>G. Venkataswamy Naidu College, Kovilpatti</i> 85%	
Higher Secondary	2020 – 2021
<i>Kamavar Girls Higher Secondary School, Kovilpatti</i> 73%	

INTERNSHIP EXPERIENCE

Full Stack Development Intern	Dec 2025 – Present
DIGISAILOR, Tuticorin Full Stack & XML	
Worked on full-stack development and contributed to real-time applications. Also gained hands-on experience in live XML (DITA) documentation projects using the Luke Toolkit, focusing on structured authoring, content organization, and XML-based workflows.	
Web Development Intern	May 2023 – June 2023
INCRIX TECHLUTIONS Web Development	
Developed and integrated a chatbot system within a web application using HTML, CSS, JavaScript, and backend technologies. Gained experience in API integration, UI/UX improvements, and solving real-world problems.	

PROJECTS

Remote Patient Monitoring Dashboard
Tech Stack: React.js · FastAPI · PostgreSQL · WebSocket
Developed a real-time patient monitoring platform enabling doctors to remotely track patient vitals with WebSocket-based live alerts and secure authentication.

Online Education System
Tech Stack: HTML · CSS · JavaScript · Node.js
Developed an interactive online learning platform enabling students to access lessons anytime from anywhere, focusing on technology integration and ease of use.
